SANS 2018

AOC Buzet

Les Vignerons de Buzet, South west, France

LCBO # 13398 | 14.0 % alc./vol. | \$14.95 | Release: 22-Feb-2020

Sustainable, No Added Sulphites, Vegan

Very intense purple colour. A nose that explodes with red fruit and black berries. The attack is fairly powerful with tannins that are very present but already enveloped. An attractively long finish that remains rich in fruit. Balanced and delicately naked (no sulphites- no protection), enjoy responsibly now!

*"...Very frank, fruity nose with real purity and fine tannins. Dry finish. Very honest, appealing wine" **Score – 16p (Jancis Robinson, 2019)***

*"...A straight up value, this approachable blend is sourced from 35+ year old vines and is free of oak. Very clean, easy drinking with mellow tannins and an abundance of fruit. Dry, honest, straightforward, sustainably produced and sulphite-free. Ready-to-drink." **Score -89p (Sara d'Amato, WineAlign, 2019)***

Winery & Terroir:

184 wine growers and 95 employees jointly committed to ecological and corporate social responsibility (CSR) for over 10 years. 1,935 Ha vineyards between the Garonne and the Landes forest, 95% of AOC Buzet, 562 Ha of vineyard certified as being of High Environmental Value.

Vinification:

Harvested at full maturity, vinification carried out **without the addition of sulphites**. Delicate and fragile due to the absence of sulphites, it was left to mature in the concrete vat protected from the air. Pea flour clarified.

Variety: Cabernet Sauvignon 39%, Cabernet Franc 38%, Merlot 13%

Residual sugar: 1 g/L

Serving suggestion and food pairing: Serve at 15°C. Can easily be enjoyed throughout a meal, but is particularly good with grilled meats, charcuterie and white meats.
