eCommerce # 232495 | 13.5% alc./vol. | \$44.90 *subject to change

R5 is one of the most unique Bibich wines. Very much a cellar Cuvee, it also echoes back to a time prior to the advent of stainless steel and refrigeration - building oxidation into the wine rather than having a wine oxidize.

Typified by aromas of browned butter, hazelnut, and Mediterranean herbs. Despite the sherry-like aromatics, it's remarkably bright and integrates seamlessly with the spicy oak. Textured and harmonious.

Terroir & History:

The Bibić family has been preoccupied with viniculture and wine production in Nečven Grad u Promini, in the vicinity of Skradin since the 15th century. After the Second World War, grandfather Petar restored the vineyards and during the Homeland War, the whole property was destroyed. After the war in 1995, Alen, the grandson, restarted operations of Bibich. 20 Ha (of which 10 Ha owned): mostly Debit variety (originated from Turkey, now only in Šibenik hinterland).

Although Pošip originates from the Island of Korčula in southern Dalmatia, it also thrives on the seaside vineyards of Northern Dalmatia.

The vineyards are processed traditionally with minimal intervention.

Vinification:

Vinified in French Oak oxidatively for 2 years.

Varieties: Debit, Pošip, Maraština

Serving suggestion and food pairing: Serve at 12°C. It makes a perfect companion for briny Brodetto, deeply seasoned poultry, and anything with sage and brown butter.
