

Castelo de Medina Verdejo 2020

DO Rueda

Bodegas Castelo de Medina SA, Castilla y León, Spain

eCommerce # 262443 | 13.0% alc./vol. | \$16.95

Straw yellow with greenish tones. Brilliant and crystal clear. Soft aroma of cut grass, aniseed, fennel, hay, and apple. In the mouth it is wide, powerful, fresh, and very balanced. In retro nasal it is very persistent, with great body and a long aftertaste.

Terroir:

Winery Castelo de Medina was founded in 1996 by three wine lovers in the heart of the Rueda wine region, in a small town Villaverde de Medina in Valladolid province. 180 Ha of vineyards are in the centre of the Duero River Basin and comprise a plateau with smooth relief and slopes exposed to winds from the Atlantic at ~800 m elevation. The area has a typical continental climate influenced by the Duero River.

The specific vineyard is in Villaverde de Medina (Valladolid). Loam-clay-sandy soils rich in coarse elements, which accumulate sun heat (mitigate day night temperature fluctuations) and provide good drainage.

Vinification:

Several hours of cold maceration. Controlled fermentation at low temperatures in stainless steel tanks. Aged in the bottle for over a year.

Variety: Verdejo 100%

Residual sugar: 1.4 g/L

Serving suggestion and food pairing: Serve at 8°C. Perfect as an aperitif. Ideal wine to accompany blue fish (such as trout, salmon, or tuna), seafood or poultry.
