Be Alive!

Feel the spirit of freedom!

Get ready for new experience and unforgettable adventures.

Enjoy it until the last drop.

Life is too beautiful to spend idle!

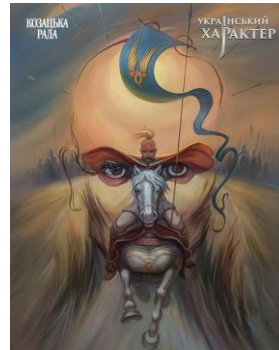

"Immediate earthy pungency quickly gives way to cool refinement. The understated flavour profile of this vodka is dominated by melon, cucumber, aloe. Stylish & without excessive sweetness, this is an eminently refreshing grain vodka".

Score - 93p – Excellent, Highly Recommended (Ultimate Spirits Challenge)

Authentic Ukrainian vodka made according to ancient Kozak (Cossack) recipes. It passes heroic message from the glorious past to lion-hearted, determined, steadfast descendants – real Kozaks who stand up for their dignity. It embodies the Kozak spirit and celebrates friendship in each of us!

Distillery:

Bayadera Group is the largest spirits company in Ukraine. 3 production locations - the factory National Vodka Company in Cherkassy region, PJSC Koblevo and Nikolaev Brandy Factory in the Nikolaev region.

Production:

Made according to the unique ancient technology of softening & enriching vodka with dried wheat bread. Distilled 5 times via a continuous column distillation process.

Serving suggestion & food pairing: Serve ~5°C. Very versatile. Excellent with snacks, pickles and marinades or with the main course of fried chicken spiced with garlic & pepper.
