MEMARNE - ALAZANI VALLEY RED 2020

"Memarne", Tbilisi, Georgia

LCBO # 34246 | 11.5% alc./vol. | \$15.95 | Release: 16-Dec-2023

Indigenous late harvest hand-picked Saperavi from Kakheti, East Georgia. Ripe forest fruit aroma, harmonious naturally sweet palate balanced with fresh fruity acidity and gentle tannins.

Terroir & Winery:

Memarne winery (Guardian of Wine in Georgian) was started in 2020 and now combines two different wineries in Kakheti. One in Sagarejo (outer Kakheti) which is near Tbilisi and the second one in Kvareli, in the heart of vine growing and winemaking in Georgia. Winery produces 25 wines from 10 unique grape varieties.

Vinification:

Grapes are hand-picked at the optimum of their maturity. Soft de-stemming and crushing is followed by fermentation at controlled temperature (28°C) in stainless steel tanks. Wine is fermented using the cultured yeast. Skin and cap management is performed by délestage and remontage. When the fermenting juice reaches optimal sugar/acidity balance, fermentation is stopped by cooling, this retains the natural sweetness, aromatics and freshness of the wine.

Variety: Saperavi 100%

Residual Sugar: 40 g/L

Serving suggestion and food pairing: Serve at 12°C with soft cheeses, spicy and fusion dishes, desserts, nuts, and fruits.
