KHOR HONEY HOT PEPPER VODKA

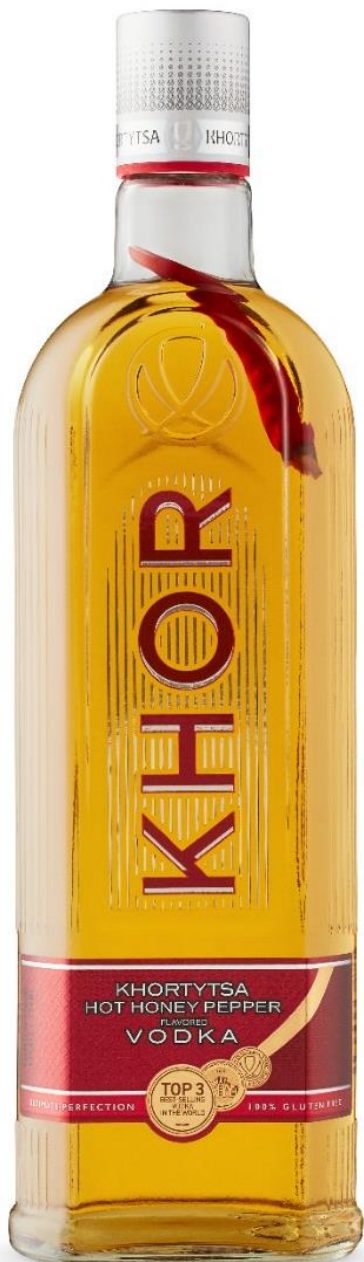

Khortytza, Zaporozhye, Ukraine

LCBO # 346320 | 40.0% alc./vol. | \$28.95 | 750mL

The flavour of red Chili pepper married with a tint of honey gives the vodka an unusually soft, harmonious taste, special delicacy and incomparable aroma. The overflow of warmth and a tingling sensation of sweetness and spice.

Chili pepper leads followed by thick set honey, light cloves, cinnamon and gingerbread, extending with crème Brule and vanilla. Rounded mouth feel with waves of subtle Chili piquancy, balanced by the sweetness of thick, set honey with hints of clove and gingerbread. Chili leads with luscious honey following, and concluding with gingerbread spiciness. The taste of this distinctive vodka is unforgettable.

A subtle infusion of honey and wild herbs creates a smooth and delicately spiced blend which perfectly complements the warmth of the red Chili peppers.

Ingredients: winter wheat distilled vodka, cayenne pepper extract, peppermint extract, cinnamon extract, honey, caramel colour, cayenne pods.
