*This wine is a delight to the eye with its many hues changing from pale yellow to its characteristic sand colour, as well as to the nose with its slightly fruity bouquet, accompanied by a light note of almonds. Soft and harmonious, slightly bitter in taste.*

*“Well balanced with mild aromas of pear fruit with some nutty and hoppy notes. It is creamy and juicy with good depth of flavour and good length.”  
(Steve Thurlow, Wine Align, 2019)*
