

## Altos de Inurrieta Reserva 2013

Inurrieta, S.L., Navarra, Spain

eCommerce # 492909 | 14.5% alc./vol. | \$23.45

*“The 2013 Altos de Inurieta was mostly Graciano with some 10% Syzah, quite an unusual blend in this cool, wet and late harvest. It fermented in stainless steel with selected yeasts and matured in new French barriques for 14 months. The change in the blend and the character of the vintage is clearly noticeable when you taste this next to the 2012, here there is brighter fruit, red berries mostly, the oak feels better integrated and there’s more overall freshness. There are some dusty tannins and good freshness, supple and tasty”*

### History & Terroir:

Bodega Inurrieta built in 2002, is one of the most forward-thinking wineries in Spain focused on the best varietal and terroir expression. It is surrounded by its own vineyards: located in a micro-valley crossed by the river Arga, in Navarra’s Ribera Alta district, grow on 3 types of soil at an altitude ~300-480 meters.

### Vinification:

Aged for 15 months in French Allier oak barrels.

**Variety:** Graciano 90%, Syrah 10%

**Residual Sugar:** 2.2 g/L

**Serving suggestion and food pairing:** Serve at 18°C. Perfect accompaniment for strong cheeses, roasted suckling pig, beef carpaccio with parmesan cheese, steak with tartare sauce.
