BADEL HRVATSKA STARA ŠLJIVOVICA PREMIUM SELECTION

Badel 1862 d.d., Zagreb, Croatia

eCommerce # 552462 | 40.0% alc./vol.

700mL | \$99.95

Produced from "Bistrica", an indigenous plum variety, the premium selection is made from hand selected plums of an extraordinary vintage and best plots. The complex fruity aromas of plum blend brilliantly with the delicate notes of vanilla.

"Acacia, honeysuckle, prune, peach puree, and beeswax notes are pronounced on the nose. The palate displays aromas of cherry pit, raisins, charred yellow plum, and orange peel supported by an almost nectar-like smooth texture."

(Ultimate Spirits Challenge, 2021)

History:

Badel 1862 is the largest and oldest wine and spirits producer in Croatia, continuing and cultivating the rich tradition inherited from the renowned companies Pokorny, Patria, Arko and Badel Vinoprodukt. Throughout its history Badel 1862 won numerous awards. The first one was obtained for Gorki Pelinkovac liqueur from Pokorny, the Silver Medal at the World's Fair, Paris, in 1867.

Production:

The unique aromatic profile of "blue" Šljivovica is created under the watchful eye of master distiller, Vesna Jurak, through selection and blending of distillates from different barrels. Select yeasts, top quality fresh plums, controlled fermentation at lower temperatures, and carefully guided distillation result in an aromatic distillate. The distillate obtains its final body by complex aging 24 months, initially in new barrels, and then in traditional Slavonian oak brandy barrels.

Serving tips: Serve on the rocks or chilled to 5°C before or after fine meal.
