Organic 

Bright, pale yellow. Restrained nose, touches of acacia and stone fruits. Fresh, fleshy and luscious on the palate, creamy impression, barely more loquacious but letting slip touches of citrus fruits and spices.

Company:

The Gruppo I Vinai project was born in 2008 from the idea of Francesco Scalia, a business man expert in international trading, of grouping the needs of a group of Italian winemakers and bring them around the world.

Quota 7 Bio line was born in an excellence of the territory: the Lison Pramaggiore, appellation for controlled designation of origin area. A land that rises between the Veneto and Friuli regions, seven meters above sea level, whose setting is an ideal microclimate that enhances its characteristics and capabilities.

Vinification:

The fruits are cleaned and cooled, followed by a dynamic maceration of the skins and fermentation at a controlled temperature.

Varieties: Pinot Grigio 100%

Serving suggestion and food pairing: Serve at 12°C. An easy-going wine for cream-based curries. It pairs well with appetizers, sea soups and grilled fish.
