Dolcetto D'Alba DOC 2016 Bera Azienda Agricola, Piedmont, Italy

eCommerce # 615699 | 13.0 % alc./vol. | \$23.55

It is the wine of the Langa tradition, absolutely dry, young and fragrant, ruby red in colour with violet tones and intense fruity fragrances that reminds one of cherries. It's dry and harmonic flavour with good acidity and a pleasantly tart finish.

Terroir:

Bera Azienda Agricola is located in the Langhe, on the right side of the river Tanaro, between Alba and Asti, surrounded by the villages of Barbaresco, Neive, Mango and Treiso in the village Neviglie. Vineyards cover a soft slopes hill with south-southwest orientation following the road from Neive to Neviglie. The soil is light-brown, rich in limestone and friable. A windy spot due to the conformation of the hills and the altitude varying from 320 to 380 m.a.s.l.

Vinification:

Short maceration-skins, malolactic fermentation. Decanted several times to promote the clarification and separation from the lees. It is then bottled in the spring.

Variety: Dolcetto 100%

Residual Sugar: 2 g/L

Serving suggestion and food pairing: Serve at 17°C. Preferable for an everyday meal, also good with cold cuts or cheese for a quick snack with some friends.
