KHOR PLATINUM VODKA Khortytsa, Zaporozhye, Ukraine

LCBO # 638155 | 40.0% alc./vol. | \$28.95 | 750mL

Khortytsa Platinum is strictly for the connoisseur of Vodka.

"A spring water like fresh vodka, with a surprisingly mineral and floral notes. Wet stones and chalk give into white flowers and blossom. The palate has a silken like pillowy texture, with a touch of spice on the finish. A light but complex spirit" **Score – 94p, Highly Recommended (Ultimate Spirits Challenge, 2017)**

Ingredients: Winter wheat grain vodka, oat flakes, sugar

Most traditional Russian/Ukrainian recipe based on winter wheat grain.

Platinum recipe of smooth vodka is achieved by a unique natural amber filtering process - the New Age of producing pure premium vodka.
