

Prosecco DOC Spumante Kenko

Varaschin Matteo & Figli S.N.C., Veneto, Italy

eCommerce # 689173 | 11.0 % alc./vol. | \$20.65

A very elegant Prosecco with fine and persistent perlage. The wine has intense and elegant bouquet with light hints of fruits and sapid, dry flavour.

Terroir:

The production extends itself all over the band of hills of Treviso province, between the towns of Conegliano and Valdobbiadene; a series of hill chains running from east to west, following one another from the plain to the Pre-Alps, equidistant from the sheltering Dolomites to the north and the Adriatic sea. The production area covers ~18,000 Ha of cultivated land. Vines are only on the sunniest part of the hills at an altitude that goes 50-500 m above the sea level.

Vinification:

Traditional in-white process at controlled temperature. Fast Charmat method.

Variety: Glera 100%

Residual sugar: 15 g/L

Serving suggestion and food pairing: Serve at 8-10°C. Excellent as an aperitif. Perfect for seafood and fish dishes.
