From the enchanting Greek grape variety of Malagouzia, we offer you an elegant wine with bright colour exciting aromas of citrus, peach and exotic fruits, with a pleasant and refreshing finish.

History & Terroir:

Phaedon, father of George Tzivani started to craft family's first biologically produced wines in 1960.

George, with the encouragement of his wife, Chrissie, in 1982, started cultivating Greek and European varieties on 110HA area, in Ristona Evoia, Arma Voiotia and other key regions in Greece. Tzivani Estate organic wines are produced only on family's low yield vineyards (every vine produces one bottle of wine) that gently slope from the winery building located on a 400-450 m elevation hill.

Variety: Malagouzia 100%

Residual Sugar: 0.8 g/L

Serving suggestion and food pairing: Serve at 11°C with Mediterranean and Asiatic dishes.
