Estreia White Vinho Verde DOC 2019

Adega Coop De Ponte Da Barca, Viniverde, Portugal

eCommerce # 732403 | 11.0 % alc./vol. | \$11.55

It's a "Vinho Verde" result of a blend of different grape varieties of the "Vinhos Verdes" region. Vibrant citrus and tropical fruit aromas. Aromatic, smooth and harmonious with refreshing sparkling mouthfeel.

Terroir:

Ponte da Barca winery is half a century old and covers 900 Ha vineyards, located in the valleys of the river Lima, River Vez and river Vade. The sub-region Lima integrates the municipalities of Ponte da Barca, Arcos de Valdevez, Viana do Castelo and Ponte de Lima (gets more precipitation). The altitude at which the vineyard is planted is variable and increases from the coast to the interior, where the terrain is also more irregular, causing some microclimates inside the Valley Lima. Soils are fertile and most are of granitic origin and there is a range of schist soils.

Vinification:

Handpicked, total destemming, alcoholic fermentation at controlled temperature.

Varieties: Loureiro 75%, Trajadura 12.5%, Arinto 12.5%

Residual sugar: 10 g/L

Serving suggestion and food pairing: Serve at 10°C as an aperitif or with cold meals, salads and desserts.
