Ruby colour, with ripe red fruits aromas. The palate is well balanced with smooth and warm structure.

History & Terroir:

In 2014, Parras Vinhos acquired property in the village of Redondo, Alentejo. Initially, this acquisition consisted of 180 Ha of land in the so-called Monte da Candeeirinha, of which only 70 Ha are vineyards. Their proximity to the Serra d'Ossa highlands results in high temperature fluctuations. A year later additional 200 Ha were acquired surrounding the Vigia dam: with deep shale base, excellent for the production of red grapes, and by 2019 the goal is to fill 150 Ha with vines, consisting of only red grape varieties.

Vinification:

Fermentation in small stainless-steel tanks for 10 days at a controlled temperature of 26°C.

Varieties: Syrah 35%, Aragonez (known elsewhere as Tempranillo, Cencibel, Tinta del Pais, Roriz...) 30%, Trincadeira 35%

Residual sugar: 6.5 g/L

Serving suggestion and food pairing: Serve at 16 °C with grilled meats, sauce meats, game birds, game rabbits and semi-mature cheeses.
