Lomond Sauvignon Blanc 2020 Cape Agulhas

Lomond Wine Estates (Pty) Ltd, Western Cape, South Africa

eCommerce # 794776 | 14.0 % alc./vol. | \$20.05

Bold yet elegant, this cool climate Sauvignon Blanc is a true representation of the cool climate and diverse terroir of the southernmost tip of Africa. Brilliantly clear with a lime green tinge. Rich tropical flavours of stone fruit and hints of black current. Crisp and zesty with diverse layers of fruit and minerality.

Terroir:

Lomond is situated on The Agulhas Plain near the southernmost tip of Africa at Cape Agulhas – the meeting place of the Indian and Atlantic Oceans. The vineyards are planted in the south facing blocks on the upper reaches of the farm within sight of the ocean whose cooling breezes results in late ripening intense fruit. Our vineyards are planted on 18 different soil types, which appear naturally in small pockets and produce intriguingly complex wines with flavour profiles that differ markedly from one block to the next.

Vinification:

Hand-picked. Each vineyard block was vinified separately according to soil type. The juice was cold-fermented at ~14° C. Left on the lees for 4 months. The estate blend was then created using elements from various blocks to ensure that the result is greater than the sum of the parts.

Variety: Sauvignon Blanc 100%

Residual Sugar: 1.6 g/L

Serving suggestion and food pairing: Serve at 12°C. Excellent aperitif. Perfect accompaniment for pizza, cakes, pies, fish dishes or seafood.
