

Tarrica Wine Cellars Zinfandel Paso Robles 2017

SVP Winery, Paso Robles, USA

eCommerce # 874701 | 14.0% alc./vol. | \$22.35

Ripe berry flavours wrapped with cedar box and caramel tones. The body is full with balanced tannins and berry fruit carries long into the finish revealing crème brûlée nuances.

Terroir:

Vineyards and sources additional grapes primarily from the Paso Robles viticultural area, which is ideally situated for growing premium varietal wine grapes. Nestled slightly inland, the warm, clear days are insulated from clouds, fog, and severe winds so sufficient heat reaches the grapes. Following sunset, a marine layer moves over the region and cools temperatures approximately 50 degrees, providing conditions conducive to maintaining outstanding acid structure and overall balance.

Vinification:

Aged in a combination of new and used American and French Oak barrels for 16-18 months.

Variety: Zinfandel 100%

Residual sugar: 7 g/L

Serving suggestion and food pairing: Serve at 16°C with a wide range of cuisine including grilled meats, pastas, beef stew and pork chops. Bring this wine to a barbecue or let it compliment your favourite pizza.
