Terroir:

The Weinrieder estate is situated in the heart of the Weinviertel region, the largest and most interesting wine growing area in Austria. The ~20 Ha extend from the best south and south-west facing sites. Predominately loess soil and layers from a prehistoric sea are the foundation for wines with outstanding potential, complexity and minerality. The winery Weinrieder produces wines with power & character and they are served in some of the best restaurants around the globe. The international press counts Weinrieder to the best of Austria UNIQUE WINERIES OF THE WORLD – Vinum Magazine.

The winery is also absolute cross-border commuters, especially with the Riesling variety. They take a very high risk through the late harvest in order to wrest the best from nature. "Riesling at the limit"

Vinification:

The best grapes were selected by hand in late November. This Riesling is planted 100% on LOESS, which gives these wines more complexity, power and a great balance. Careful de-stemming; the grapes were pressed gently and then fermented in cooled stainless steel tanks.

Variety: Riesling 100%

Residual sugar: 12 g/L

Serving suggestion and food pairing: Serve at 8°C. Perfect with exotic, Asian and fusion cuisine. Honey, molasses or sugar based artisanal sauces are a good compliment. Southern BBQ and pork rib dishes, blue veined cheeses.
